Nice clean sheets and a made up bed  
I sleep with a book written in my head  
Late night calls to nowhere  
And no one answers back

I've got nothing but blues for you  
See I ain't got nothing  
If I ain't got blues

I've got nothing but blues for you  
See I ain't got nothing  
If I ain't got blues

Backed up sink and a bathtub ring  
Nothing in the fridge and plenty to drink  
And there's nowhere else to go  
Nowhere left to go  
Nowhere...

I've got nothing but blues for you  
See I ain't got nothing  
If I ain't got blues

Yeah I ain't got nothing  
I ain't got nothing

It's not where you're going  
It's what you've been through

It's not where you're going  
It's what you've been through

Dirty sheets and a messed up bed  
Over worked and underfed  
Late night conversations  
It was so good  
It was so good

I've got nothing but blues for you  
See I ain't got nothing  
If I ain't got blues

Yeah I ain't got nothing  
I ain't got nothing  
See I ain't got nothing
