I disagree with your philosophy
What killed the cat's not curiosity
And you know that I'll do it again
Yes, you know that I'll do it again
And there's no stopping me my friend, not this time

I'll be good, I'll be good tomorrow
I'll be good another day

These palace walls are lined with excess
When wisdom calls I'm riding express
But I swear I won't do it again
No, I swear I won't do it again
And I promise this is the end, one last time

I'll be good, I'll be good tomorrow
I'll be good another day
I'll be good, I'll be good tomorrow
I'll be good another day

I take a bite, open my eyes
Oh, cover me, yes, I am naked

I've made my deals with moderation
But virtue's a fleeting fascination
'Cause I know that I'll do it again
Yes, I know that I'll do it again
And it's silly for me to pretend all this time

I'll be good, I'll be good tomorrow
I'll be good another day
I'll be good, I'll be good tomorrow
I'll be good another day

I swear I'll be
