Nothin' like tomorrow

Vapor kiss memory of such longing
Whispered dream gone before the morning

Time is such a funny thing
It pulls you on like silly string
Oh, the pain and sorrow

Never thought the haunting of
Is such a temporary love
Could make me beg and borrow

Nothin' like tomorrow
Nothin' like tomorrow, yeah

Sugar sweet, I won't forget the dawning
All alone smiles come through the yawning

Love is such a funny thing
It pulls me on like silly string
Something like a good dream

If they find that I am lost
Point me to the nearest cross
Naked as a moonbeam

Nothin' like tomorrow
Nothin' like tomorrow
Nothin' like tomorrow

Calling whispers sent to you at the speed of light
(At the speed of light)
Calling whispers sent to you at the speed of light
(At the speed of light)
Calling whispers sent to you at the speed of light

Nothin' like tomorrow
Nothin' like tomorrow
Nothin' like tomorrow
There is nothing like tomorrow

Love is such a funny thing
(Nothin' like tomorrow)
And I'm waiting for tomorrow
Nothin' like tomorrow
Nothin' like tomorrow
