I've been accused, I've been abused  
Sometimes misused and yes confused  
A loaded pen I dip again  
Another trigger happy friend

I don't know why I continue to fly  
In the face of reason  
Something inside me just clicked  
Like a tick from an awful season

Under the gun, under the gun  
I'm swimming through the sun  
And I ain't tripping on a thing

Under the gun, under the gun  
I'm swimming through the sun  
And I ain't tripping on a thing

I've been afraid to drive at night  
I've been a sinner, such a lonely sight  
Not qualified, not rarefied  
I persevere I give it all my might

I don't know why you continue to cry  
That I'll never make it  
At least there's some truth  
To the fact you know I just cannot fake it

Under the gun, under the gun  
I'm swimming through the sun  
And I ain't tripping on a thing

Under the gun, under the gun  
I'm swimming through the sun  
And I ain't tripping on a thing

Under the gun, under the gun  
I'm swimming through the sun  
And I ain't tripping on a thing

Under the gun, under the gun  
I'm swimming through the sun

And I ain't tripping on a thing

Under the gun, under the gun  
I'm swimming through the sun  
Under the gun, under the gun  
I'm swimming through the sun

Under the gun, under the gun  
I'm swimming through the sun  
Under the gun, under the gun  
Under the gun, under the gun  
Under the gun, under the gun
