Awakening

There was a time i said i loved you,

A time i thought you cared

A time when things were flowing,

But now i'm lost for words

I tried so hard to understand,

In silence and emotion

You take my smiles away from me

With your careless notions

Will you bring me down

Will you lift me up - will you lift me up

Chorus :

I want to be me

When the night is fading, morning's waking

Didn't do what you were supposed to

Do when you said you would do

Holding on while all along

I was scared to say goodbye

Those days have gone, the time has come now

For me to draw the line

My mind is made up baby

I won't play your game

Chorus

Will you bring me down

Will you lift me up

I wanna be meâ€¡â€¡
