Broken beautiful doll parts so precious in his eyes,  
I want to see you burn I want to see you die  
even though I know Im supposed to love you in Christ  
(it grows harder everyday with his dignity now dead  
no matter what I hear him say I know the love is broken)  
the heart so dear to him youve pushed it all away  
as you mastered the art of calling him to stay but  
pushing him away.  
I feel pity in my heart with sorrow my mind I can not  
watch you deal with him this way,  
I cant watch you tear him all away with no way to go but  
fall on his face  
the time is past so you go to him even with his heart  
open  
with his heart begging and bleeding saying here I am  
without you.  
(I have nothing more to say, I have no more words to  
give)
