### "A Desert Mutation"

i'm an unsung hero i'm a dying breed i'm a walking  
timebomb aloft i'm gonna keep on driving in a swiss  
medallion and when i reach the highway i'm gone out  
here no one knows me out here sideroads only out  
here i am king i'm a swinging fighter i'm a tattered soul  
i'm a coward ally aloft i'm gonna keep on driving in a  
hitchcock film and when i reach the highway i'm gone  
out here no one knows me out here rest stops own me  
out here i can sing i'm a rented treasure i'm a so-called  
writer i'm a failing engine aloft i'm gonna keep on  
driving in a photo album and when i reach the highway  
i'm gone
