I love you like a brother  
And I love you like a child  
And I love you like a lover  
And I love you dumb and colorblind  
And I love you like a mother  
Even after all you've done  
And I love you like no other  
But I know  
You're not the one...

And I loved you in bright orange  
And in violet and in green  
And I loved you in such colors  
That your eyes have never ever seen  
And I loved the way you acted  
But your one trick pony's dead  
And I loved you unprotected  
But you only love in

Red

Red

Red

Red, oh...

I know it's dark for good  
I never listen when I should  
You only see in black and white  
So go on back to your own kind  
And I'll go back to mine

I love you like a brother  
And I love you like a child  
And I love you like a lover  
And I love you dumb and colorblind  
And I love you like a mother  
Even after all she's done  
And I love you like no other  
But I know you're not the one...
