Half underwater  
I'm half my mother's daughter  
A fraction's left up to dispute  
The whole collection  
Half off the price they're asking  
In the halfway house of ill repute

Half accidental  
Half pain full instrumental  
I have a lot to think about  
You think they're joking?  
You have to go provoke him...  
I guess it's high time you found out

It's half biology and half corrective surgery gone wrong  
You'll notice something funny if you hang around here  
for too  
Long ago in some black hole before they had these  
pills to take it back  
I'm half Jill  
And half Jack

Two halves are equal  
A cross between two evils  
It's not an enviable lot  
But if you listen  
You'll learn to hear the difference  
Between the halves and the half notes

And when i let him in i feel my stitches getting sicker  
I try to wash him out but like she said:the blood is  
thicker  
I see my mother in my face  
But only when i travel  
I run as fast as i can run  
But  
Jack comes tumbling after....

And when i'm brave enough and find a clever way to  
kick him out  
And i'm so high not even you and all your love could

bring me down  
On 83rd he never found the magic words to change  
this fact:  
I'm half Jill  
And half Jack

I'm halfway home now  
Half hoping  
For a showdown  
'Cause I'm not big enough to house this crowd  
It might destroy me  
But i'd sacrifice my body  
If it meant i'd get the jack part out

See jack run  
Jack run jack  
See jack see  
Jack run Jack  
Run Jack see  
Jack see Jack  
Run Jack run  
Jack see Jack  
See Jack run  
Jack run Jack

Run Jack run
