et's get lost  
fingers crossed  
it is an ordinary evening  
i am broadcasting are you receiving

sick sick sound  
all fall down  
it is a necessary evil  
just like highway gas stations and people

i remember golden days  
when all this was a mystery  
and you could write a letter then or  
god forbid come visit me  
and if you find yourself without me  
can you find yourself without me  
can you find yourself without me  
can you find your self without me

hi i'm fine  
you are saying nothing  
but your tongue is getting blacker all the time  
it is a measurable feeling  
seven on a scale from dead to breathing  
i've conncted speakers to my suitors at the  
discotheques  
and they don't know the difference  
are they men or are they Memorex?  
and if you find yourself without me  
if you find yourself without me  
c'mon find yourself without me  
c'mon c'mon c'mon  
and take your Listerine

i remember golden days when all this was a mystery  
and you could write a letter then or god forbid come  
visit me  
i remember golden days when all this was a mystery  
and you could write a letter then or god forbid come  
visit me

and if you find yourself without me  
if you find yourself without me  
c'mon find yourself without me  
c'mon c'mon c'mon  
and take your Listerine
