Nothing is crueler than children who come from good homes  
God'll forgive them i guess but whose side are you on  
Driving around the old town i remember it all  
Dropping my lunchbox and tampax all over the hall

(and they said) you are a socialist cokehead we know  
from your clothes  
You are a satanist worshipper of things evil  
Think you're a poet a folksinger poseur nah-oh  
A volleyball player you've got to be kidding us all

So we hide from the guns on our night reconnaissance  
Steal flamingos and gnomes from the dark side of the lawn

No-one can stop us the plot is a work of genius  
No-one has bought the rights yet but we're not giving up  
Every unwanted lawn jockey fits in the script  
Directed by spielberg and starring the masochist club

Mary you look like hell  
Stuck in that ridiculous shell  
Give us some light and god's pure love  
We know what you've been dreaming of  
Give us some light and god's pure love  
We know what you've been dreaming of  
Give us some light and god's pure love  
We're taking you to hollywood

And we hide from the guns on our night reconnaissance  
Steal flamingos and gnomes from the dark side of the lawn

One plays a socialist cokehead we dress in my clothes  
One plays a satanist worshipper of thing evil  
One plays a poet who starts up a band of his own  
One plays a volleyball player with both her wrists broke

And we wear what we want on our night  
reconnaissance  
Steal flamingos and gnomes the dark suburban lawns  
And we give them good homes give them love they've  
never known  
In the loft of the barn in the town where i was born
