I am an anarchist  
An antichrist  
An asterisk  
I am an anorak  
An acolyte  
An accidental

I am eleven feet  
Okay, eight  
Six foot three  
I fought the British and I won

I am a rocket ship  
A jet fighter  
A paper airplane

Say what you will:  
I am The Kill,  
The only thing that keeps you really truly safe  
From being real.

I have a tendency  
To exaggerate  
Just a little bit  
I am a plagiarist  
Apologist  
A lawless calculator  
I am an optimist  
A closeted  
Misogynist  
I fought the British and I won

I have a wishing well  
A living will  
A magical eight ball

Say what you will:  
I am The Kill,  
The only thing that keeps you really truly safe  
From being real.

Put Pat Sajak back in office  
Put Pat Sajak back

But the sun still sets on you  
And the retarded party  
Nobody came to but you. And so you drink to  
All the emptiness until you wake up  
And there's hell to pay again

And the punch lines point at you  
And all the comebacks in the world are in your head  
But you can't say them until everybody leaves  
And it's just you and your imaginary friends...  
Your imaginary friends...  
Your imaginary friends...
