Its never enough to say amen
so tell me something
see I want it all and so do you
so tell me have you
nothing to say, nothing to do
or to loose
it tears me apart
it tells me alot that I should
hear you saying
I won't let you down
or suffer the clown now that I'm not around
oh my life its true
so suffer the fool now that you seem to almost
care enough to save a prayer for, save a prayer for,
save a prayer for me

now and again I cut myself
so do I need help
I'd be over the moon to be over you
so tell me have you
nothing to say, nothing to do
or to loose
it tears me apart
it tells me alot that I should
hear you saying
I won't let you down
or suffer the clown now that I'm not around
oh my life its true
so suffer the fool now that you seem to almost
care enough to save a prayer for

I was almost there when i nearly lost myself again
will you let me in
its easy but its wrong to give in
oh I give in, I give in, I give in, Oh I give in
so there wasn't enough to see this through
but I'll live without you
I won't let you down
or suffer the clown now that I'm not around
oh my life its true
so suffer the fool now that you seem to almost

care enough to save a prayer for
save a prayer for me, save a prayer for, save a prayer
for, save a prayer for
