I can't believe the shit  
I witness everyday  
Fucking with my mind  
Sometimes I wanna crawl way  
Sometimes I wanna beat the shit out of me  
The decisions I make  
Are strangling me

I know now  
Nothing is real  
Just a work of fiction  
Made up in such a twisted sense  
Fuck it all

You shout  
I break  
You fall  
I live  
My life  
Is lost  
My soul  
Is yours  
My pain  
Becomes anger  
Becomes rage  
Becomes hate  
And a distaste for you

Nothing is real  
You're just a work of my mind  
You're not real  
I can't heal again  
Until you leave my head (GET OUT OF MY HEAD!)

When you leave  
I can sigh again  
I can die again  
Take my soul away  
Leave me just a shell  
Of something I once was  
You can take my shame

You can take my (YOU CAN'T TAKE ME!)  
GET OUT OF MY HEAD
