Too dark to breathe  
Such silence  
Like music to me  
I want to believe  
That this life  
Isn't as fucked  
As it's been to me  
I see your smiles  
I see the life you live  
So happy  
So thoughtless  
So carefree  
Why can't that be me

You're so selfish  
Everything you've ever known was money  
You grew into the green  
Nothing but a fiend  
You make me choke  
On the toxic words you write  
It's not right  
Your voice  
Chose my path  
Now I walk it

Burn your dreams  
Your standing  
In a friend's arms  
Masked with greed  
Do you bleed green

When everything comes crumbling down  
You'll realize  
Everything's just been a lie to you  
The truth's been hidden  
Locked safely behind  
The eyes of everyone around you

Your end comes now  
Suicide the only thought  
Wanting to die

It'll make it right  
Someday you'll discover  
That everything doesn't revolve around  
Such useless things  
Someday you'll see
