Angel...

When I first saw you, I already knew
There was something inside of you
Something I thought that I never find
Angel of mine

I look at you, looking at me
Now I know why they say the best things are free
Gonna love you till the end of time
Angel of mine

What you mean to me you'll never know
Deep inside I need to show

Chorus:
You came into my life
Sent from above
When I never dreamed
Such a perfect love
And now I found you
Till the end of time
Angel of mine

Angel...

Nothing means more to me than what we share
No one in this world can ever compare
Last night the way you loved is still on my mind
Angel of mine

What you mean to me you'll never know
Deep inside I need to show

Chorus

Angel, Angel...

I never knew I could feel each moment
As if they were new
The love that I make

I wanna share it with you

When I first saw you, I already knew
There was something inside of you
Something I thought that I never find
Angel of mine

Chorus

What you mean to me you'll never know
Deep inside I need to show

I look at you, looking at me
Now I know why they say the best things are free
Gonna love you till the end of time
Angel of mine
