"Darklands"

I'm going to the darklands
To talk in rhyme
With my chaotic soul
As sure as life means nothing
And all things end in nothing
And heaven i think
Is too close to hell
I want to move i want to go
I want to go
Oh something won't let me
Go to the place
Where the darklands are
And i awake from dreams
To a scary world of screams
And heaven i think
Is too close to hell
I want to move i want to go
I want to go
Take me to the dark
Oh god I get down on my knees
And i feel like i could die
By the river of disease
And i feel that i'm dying
And i'm dying
I'm down on my knees
Oh i'm down
I want to go i want to stay
I want to stay
