There was a time when livin' was fine,
I pissed it all away.
I got so high I thought I could fly,
But that was another day.
Makin' the time, fit with the crime
Helped pass the time of day.
Makin' the lie, fit with the guy,
Now there's another way.

But now I'm back here to stay,
'cause there's another way.
Why don't you make it with me ?
Why don't you help me see ?

I had the dimes and blew all the lines,
Blew up in front of me.
Drank all the wine, pissed all the time,
Pushed her away from me.
Goodbye to fame and goodbye to Jane,
Goodbye to yesterday.
I've been around, I hit the ground,
There was a price to pay.

But now I'm back here to stay,
'cause there's another way.
Why don't you make it with me ?
Why don't you help me see ?

There was a time when livin' was fine,
But I pissed it all away.
I got so high I thought I could fly,
But that was another day.

But now I'm back here to stay,
'cause there's another way.
Why don't you make it with me ?
Why don't you help me see ?
Why don't you help me to stay ?
'cause there's another way.
Why don't you make it with me ?
Why don't you help me see ?

There's no lies, but don't ask questions.
There's no lies if you don't ask questions.
I won't tell lies, but don't ask questions.
There's no lies, but don't ask questions.
