I can't wait to get to school each day  
And wait for you to pass my way  
And bells start to ring  
An angel starts to sing  
Hey, that's the girl for you  
So what are you gonna do  
Hey, little girl, I love you

All I do is think of you  
Day and night, that's all I do  
I can't get you off my mind  
I think about you all the time, all the time

I've begun to take the long way home  
Just so I can be alone  
To think of how to say  
My heart is here to stay  
Hey, I'm in love with you  
I think the world of you  
So won't you please, please be mine

All I do is think of you  
Day and night, that's all I do  
I can't get you off my mind  
I think about you all the time, all the time

All I do is think of you  
Day and night, that's all I do  
I can't get you off my mind  
I think about you all the time, all the time

Oh baby, I keep thinking about you  
All night long, ooh  
Baby, day and night that's all I do  
I can't get you, can't get you off my mind

All I do is think of you  
Day and night, that's all I do  
I can't get you off my mind  
I think about

All I do is think of you

Day and night, that's all I do  
I can't get you off my mind  
I think about

All I do is think of you  
Day and night, that's all I do  
I can't get you off my mind  
I think about
