The simple touch of your hand and everything is right
The gentle way you look at me when you kiss
goodnight
You've given me the freedom no other love has done
And now I thank you, girl, thank you, girl

The countless ways you've touched my heart is more
than I can say
The beauty that you showed to me takes my breath
away
A picture-perfect painting, that's what our love is
And yes, I need you so, and I know

I found a masterpiece in you
A work of art, it's true
And I treasure you, my love
I found a masterpiece in you
A work of art, it's true
And I treasure you

Sometimes I wonder what I'd be had I not found you
A lost and lonely soul, this world could show me
nothing new
But now my life's a canvas painted with your love
And it will always be, and now I see

The two of us together through time will never pause
This fairytale we're sharing is real inside our hearts
Let it be forever, never let it end
This promise I do make, heaven is ours to take

And I found a masterpiece in you
A work of art, it's true
And I treasure you, my love
I found a masterpiece in you
A work of art, it's true
And I treasure you

When I am lost and insecure
You build me up and make me sure
Everything will turn out right
My love, oh girl

I found a masterpiece in you
A work of art, it's true
And I treasure you, my love
I found a masterpiece in you
A work of art, it's true
And I treasure you

This fairytale we're sharing is real inside our hearts
Just us two, yeah, me and you, girl
Let it be forever, never let it end
No, no, please never let it end

I found a masterpiece in you
A work of art, it's true
And I treasure you, my love
I found a masterpiece in you
A work of art, it's true
And I treasure you
