Mother,
You're always around
Let me tell you,
You're the only one
Mother,
When I see that look in your eye
I know you're my only child
And you make my world go round,
And round
And round
And round
And round
And round
And round

Amio sumoni
Yofanati vorento
Amere coreni
Yoa simento canante

Rentiro men foni
Senti re da muntera
Ioshepa runo
Solite tiro re tiro

Do you love your mother
Like I love mine?
Do you wanna hold her
All through the night?
The silence is my soul
Love just agree
Rest...

Do you love your mother
Like I love mine?
Do you wanna be
A one and only child
Desires of your soul
Love just agree
Rest...

I rest with my head on her chest
Head on her chest
Head on her chest
Do you love your mother
Like I love mine?

Amio sumoni
Yofanati vorento
Amere coreni
Yoa simento canante

Rentiro men foni
Senti re da muntera
Ioshepa runo
Solite tiro re tiro

Do you love your mother
Like I love mine?
Do you wanna hold her
All through the night?
Do you love your mother
Like I love mine?

Solite tiro re tiro
Do you love your mother
Like I love mine?

Amio sumoni
Yofanati vorento
Amere coreni
Yoa simento canante

Rentiro men foni
Senti re da muntera
Ioshepa runo
Solite tiro re tiro (Fade out)
