[INTRO]

Huh Hulk Hogan, Hollywood Hulkster
ahatever they call you, I'm comin after you, you coward

[VERSE I]

Hot diggity damn Hulk I'm glad you set it off (set if off)
Used to be hard Hulk now ya done turned soft
Doin' telephone commercials I seen ya
Dancin' in tights as a ballerina
I knew all along you had those tendencies
Cuz you've been runnin' from Macho like I got a
disease
Dude please your pay per view event was a joke
You're avoidin' Randy Savage cuz you know you'll get
smoked
Come on that phony fight the Rock spanked you fast
But when I challenged Hogan to a real fight he passed
I called him out but the punk was scared to go
It was a charity event but the Hulk didn't show
Hollywood Hulkster you're at the end of your rope
And I'm a kick ya in the butt and wash your mouth out
with soap
Cuz like Rodney Dangerfield you gets' no respect
So come on Hulk let's wreck so I can put you in check

[CHORUS]

Be a man Hulk Come on don't be scared
Your runnin' from Macho that's what I heard

Be a man Hogan Come on don't be a chump
I never thought Hulk would go out like a punk

Be a man Hulk Come on don't be scared
You're runnin' from Macho that's what I heard

Be a man Hogan Boy you's a chump
Cuz Hulk Hogan is a real big punk

[VERSE II]

They call you Hollywood (hugh hugh) don't make me
laugh

Cuz your movies and your actin' skills are both trash
Your movies straight to video the box office can't stand
While I got myself a feature role in Spider Man
Ya hidin' man but when I find you it's on
And when I slam ya to the dirt you'll wish you's never
born
I smell a coward mmmm is that you Hogan
Macho's gonna kick ya butt is the slogan
You try to ignore me thinkin' I'll go away
But I'm a keep on messin' wit ya dude day after day
And once you step to Macho you're through
The joke's on you so Hulk what you gonna do
Probably nothing cuz you're a real big punk
You called my dad up on the phone man you's a chump
Cuz if you really got static take it up with me
And I'll punk ya butt out for the world to see

[CHORUS] 2X
