Undress the disguise  
Through alternative life  
Preach out your strength  
Just lose it and flush  
The past behind  
The awaken eye  
To fill the source that never dies  
Seeking the failure of the be  
Just flush it  
Preach out for me

Dressing my own skin  
Keeping the faith in me  
I'll let the mask behind  
Strong steps along the path  
Dressing my own skin  
Keeping faith in me  
I'll let the mask behind  
Strong steps along the path  
Faults won't make me last  
I will reach out 'til I unwind

Looking back time  
All the things that I've done  
Now I realize  
I was not so bright  
I will forget  
I'll wipe away  
The one I use to role  
When lies became in facts  
And flaws run like blood  
Reborn being the new me

Dressing my own skin  
Keeping the faith in me  
I'll let the mask behind  
Strong steps along the path  
Dressing my own skin  
Keeping faith in me  
I'll let the mask behind  
Strong steps along the path

Faults won't make me last  
I will reach out 'til I unwind

Dressing my own skin  
Keeping faith in me  
I'll let the mask behind  
Strong steps along the path  
Faults won't make me last  
I will reach out 'til I unwind
