In this world of hypocrisy
Where everyone is guilty
In this crime of being
Quite and calm
Standing in a doubt

Living in attendance
To all this fucking crowd
A speech with double meaning
That we get as we want

Look what we've become
Growing in a doubt
Expecting lost changes
Listen what we talk
Standing in a doubt
Expecting lost changes

(Changes)

Find now the excuses
For years of misunderstanding
Full of lies and hidden steps
Written in the wall we build
Stands our deepest hope
In a truly start where we begin

Look what we've become
Growing in a doubt
Expecting lost changes
Listen what we talk
Standing in a doubt
Expecting lost changes

Look what we've become
Growing in a doubt
Expecting lost changes
Listen what we talk
Standing in a doubt
Expecting lost changes
