The last that ever she saw him  
Carried away by a moonlight shadow  
He passed on worried and warning  
Carried away by a moonlight shadow  
The... last that ever she saw him  
Carried away by a moonlight shadow  
He passed on worried and warning  
Carried away by a moonlight shadow

Lost in a riddle that saturday night  
Far away on the other side  
He was caught in the middle of a desperate fight  
And she couldn't find how to push through

Four am in the morning  
Carried away by a moonlight shadow  
I watched (I watched) your vision forming  
Carried away by a moonlight shadow  
All she saw was a silhouette of a gun  
Far away on the other side  
He was shot six times by the man on the run  
And she couldn't find how to push through

I stay, I pray  
Seeing you in heaven far away  
I stay, I pray  
Seeing you in heaven one day

The trees that whisper in the evening  
Carried away by a moonlight shadow  
Sing a song of sorrow and grieving  
Carried away by a moonlight shadow  
A star was glowing in the silvery night  
Far away on the other side  
Will you come to talk to me this night  
But she couldn't find how to push through

I stay, I pray  
Seeing you in heaven far away  
I stay, I pray  
Seeing you in heaven one day

Caught in the middle of a hundred and five  
Far away on the other side  
The night was heavy and the air was alive  
But she couldn't find how to push through

I stay, I pray  
Seeing you in heaven far away  
I stay, I pray  
Seeing you in heaven one day

Carried away by a moonlight shadow  
Carried away by a moonlight shadow

Far away on the other side  
But she couldn't find how to push through  
I stay, I pray  
Seeing you in hell one day
