Masturbating nun's choir sour and stained
Strains of bymns and bymens ablaze
Dammation Discharged from vessels unsung
The suffocating reels of heavenly cunts
Habits befouled puritanical
Salvation libation gasping for air
Speaking in tongues the body of Christ
Communion servicing on their knees

Belvet walled vagina
Swallows rood and rosary
The word made flesh
Pounds frenzied in rectum divine

Impales mons venus devoured crucifix
Golden fluids streaming into profaned pyr
The three in one trinity ityphallic bost
Fellatio insatiable in greedy throats
Elilepsia feverish caterchismal sodomy
Crimson tears awakened forsaken enjoyed
Sulphurous flames shudder on bare breasts
The kingdom of heaven in every orifice

Belvet walled vagina
Swallows rood and rosary
The word made flesh
Pounds frenzied in rectum divine
Baptism by ejaculation
Blood and offal flow free
Bolutuouous supplication
Saints of Blasphemy

Predating
Black wolf six thrice
Malefacting
Gloria in excelsis
Formicating
Destilence arise
Coagulating
Gloria in excelsis

Filth faith disease both rot their flesh
Condeemed to writhe in wretchedness
Stench of salvation delerium obsessed
Funereal paeon and noisomeness...
