Monolithic hate Diabolos crowned
The synagogue of Satan nativity in black
Semen datura Tetragrammaton defiled
Sattaru seirizziim the serpent's path

Revel in slaughter fall to fornication
Imbibe the poisons of shadow and plague

Lord of the world - Pater Tenebrarum
Resurrect the throne of solitude and death
Arise great Mother of Abomination
Grim anointing desolation made flesh

Inquisition bloodletting scepters of demise
Awaken ruination degradation and doom

Invoke the fiendish flames of malediction
Shining One (Rex Luciferi)
Plunge the depths of Satan
Satyrs dance and howl
Shining One (Rex Luciferi)

Opus dei - Jehovah hung with nails
Pallid crucifixion symbol of defeat
Scourge sadistic the Nazarene slave
Sever the seraph's golden wings
Sacilege stalks bloodied streets
Paved with the bones of the dead
Burn to ash the tree of life
Indulge Babylon with sodomy
