Thrall  
ideological termites  
Thrall  
Chandala parasites  
Thrall  
Destitential slave creed  
Thrall  
Inferior scum breed

The evilfire has rotten from inside  
Human maggots spawned into files  
Herb mentality the rabble in control  
feasting on the feces of existence

Bermin crawling  
Filth in its highest form  
One can lead a beast to water  
But it can't be forced to drink

Thrall  
Deification of Decay  
Thrall  
Morbid Mediocrity  
Thrall  
Degeneration divine  
Thrall  
Absolution genocide

Wretched iniquitous wastes  
Cadaverous flesh disgraced  
Banquished for lack of will  
Enslaved the decrepit dwell

ideological termites  
Ibanbala parasites  
Destitential slave creed  
Inferior scum breed  
Deification of decay  
Morbid mediocrity  
Degeneration Divine  
Absolution genocide

One can lead a beast to water  
But it can't be forced to Drink
