Help me out Miranda,  
You left me hanging again.  
We just let each other down  
To let each other back in.

How can you say to me  
That it's not meant to be?  
How can you say to me  
It's not meant to be?

I could never leave you  
So I followed you into  
Cities where our harmony  
Was splintered into two.

How can you tell me?  
You tell me it's not true.  
How can you say to me  
It's not meant to be?

If anyone's to blame  
Then let me know their name.  
No room left to believe,  
For love to intercede.  
No room for make believe.  
Ah oh, oh oh.

Miranda.  
Miranda.  
Miranda.

If I could just hold your hand  
You'd understand completely.  
Feel I've lost my best friend.  
Don't know where to begin.

What should I say to you  
To make you think it through?  
How can you say to me  
It's not meant to be?

So please just let me be,  
Or make it known to me.  
Miranda I can't tell  
Which demons to expel.  
Gardenias everywhere you stare.  
Whoa - oh.

Miranda.  
Miranda.  
Miranda.  
Oh oh oh.
