I don't want to leave my heart in your hands  
Out on the frozen ocean.  
'Cause I'm full of wine and song tonight  
And it feels all right.  
I don't know where to go  
I just wanna hit it hard before it's too late.  
Running from anyone  
Who could properly dismiss this terrible bliss.

Secret charmer, suit of armor:  
The wings are melting through.  
Squeamish voyeur, sick destroyer.  
(Shaking down, breaking ground)

Getting better all the time.  
Pull the words right out of my mouth.

I'm shedding my skin, I'm spreading my wings  
All with the best intentions.  
I'm younger today than yesterday;  
Heaven and hell can wait.  
Take it all out of me  
I just wanna make it count, it's getting late.  
Then the sun's gonna come  
Let it shine on someone else, my armor deflates.

Secret charmer, suit of armor:  
Live it up tonight.  
Squeamish voyeur, sick destroyer.  
(Shaking down, hit the ground)

Secret charmer, suit of armor.  
Pull the words right out of my mouth.

I know you better  
Better than ever.  
So when I look into your eyes tonight  
I'll see them burning.  
The tide is turning  
I know that everything will change.

Secret charmer, suit of armor:  
The wings are melting through.  
Squeamish voyeur, sick destroyer  
Can you hear me calling you?  
Secret charmer, suit of armor:  
Live it up tonight.  
Squeamish voyeur, sick destroyer.  
(Shaking down, hit the ground)
