(Billy Hughes - Tommy Vernon)

Gonna tell the world I love you can't keep it quiet
Everything I dreamed of darling came true tonight
Love that's been needed to make my life complete
Is here beside me and ain't life sweet? mhm

I hear love's music playing in the beat of your heart
Life's only regrets my darling are the times we're apart
And all life's treasures are l kaying at my feet
You're here beside and ain't life sweet?

Sweeter than honey, sweeter than wine
Every day with you makes my life so fine
A smile comes with every day I greet
I'm in love and ain't life sweet?

--- Instrumental ---

Sweeter than honey, sweeter than wine
Every day with you makes my life so fine
A smile comes with every day I greet
I'm in love and ain't life sweet?

Mhm, ain't life sweet?
Mhm, ain't life sweet?
Ha, ha, ain't life sweet?...
