You are my guiding star
The one love I can't live without
All these things I know you are
Beyond the shadow of a doubt.

Through rain, through snow or storm
The coldest, darkest hour out
Your love will keep me warm
Beyond the shadow of a doubt.

--- Instrumental ---

No gates, no bars, my dear
Will ever serve to keep me out
Call my name and I'll be there
Beyond the shadow of a doubt.

Through rain, through snow or storm
The coldest, darkest hour out
Your love will keep me warm
Beyond the shadow of a doubt...
