Coffee cup, coffee cup talk to me  
Tell me I'm not in misery  
Tell me she's not really gone  
Tell me we're not here alone.

Hey little coffee cup talk to me  
Tell me it's gonna get better wait and see  
I'm not crazy or could I be  
Coffee cup talk to me.

I've talked to the windows but they can't see  
They just stand there looking back at me  
Talked to the walls, talked to the doors  
Talked to the ceiling and I've talked to the floors.

I've talked to myself but that don't help  
Now you're the only one that's left  
So don't ignore my misery  
Coffee cup talk to me.

(Coffee cup, coffee cup talk to me.)  
(Hey, little coffee cup talk to me.)

Coffee cup, coffee cup  
Tell me I'm not in misery  
Tell me she's not really gone  
Tell me we're not here alone.

Hey, little coffee cup talk to me  
Tell me it's gonna get better wait and see  
I'm not crazy or could I be  
Coffee cup talk to me.

Coffee cup talk to me  
(Coffee cup talk to me)  
Talk to me coffee cup  
Tell me I'm not crazy

(Coffee cup talk to me)

Come on be a friend  
(Coffee cup talk to me)  
Tell me one more time...
