(Barry Mann - Larry Kolber)

As long as the rivers flow down to the sea  
As long as the oceans meet the shore  
The love that I promise to you dear tonight  
Will live on forever more.

It's everlasting, it's everlasting  
It will live right along with each heartbeat of mine  
It's everlasting, it's everlasting  
It will last till the end of time.

As long as the sunset will follow each day  
As long as the mountains meet the sky  
The love that I promise to you dear tonight  
Will live on and never die.

It's everlasting, it's everlasting  
It will live right along with each heartbeat of mine  
It's everlasting, it's everlasting  
It will last till the end of time.

It will last till the end of time...
