(Jerry Williams)

Woman stop wasting your time
Woman can't you see I'm not gonna bend for you
Not gonna send for you when I go, oh no
Ginger is gentle and waiting for me in Tennessee.

Woman stop wasting your teardrops
Woman don't you know that all of your reasons
Won't stop me from leavin' somehow, no not now
'Cause Ginger is gentle and waiting for me in
Tennessee.

I saved up my money
Got a job down there cotton trees.
Now, I can tear up her letters
Don't have to live off my dreams.

Woman stop wasting your world
Woman can't you see that pity alone
Would break up our home
In the end won't pretend any longer
Ginger is gentle and waiting for me, in Tennessee.

Go on wish me all kinds of pain
I know you've got a right to complain
But now as I walk out the door
I know like I never did before.

Ginger is gentle and waiting for me, in Tennessee.

Ginger is gentle and waiting for me, in Tennessee.

Ginger is gentle and waiting for me, in Tennessee...
