(Ray Charles)

Let me tell you 'bout a girl I know
She's my baby and she lives next door
Every morning 'fore the sun comes up
She brings my coffee in my favorite cup.
That's why I know, yes I know
Hallelujah, I just love her so.

When I'm in trouble and I have no friends
I know she'll go with me untill the end
Everybody asks me how I know
I smile at them and say she told me so.
That's why I know, yes I know
Hallelujah, I just love her so.

Now if I call her on the telephone
And tell her that I'm all alone
By the time I count from one to four
I hear her (knock) on my door.

In the evening when the sun goes down
When there is nobody else around
She kisses me and she holds me tight
And tells me, daddy everything's all right.
That's why I know, yes I know
Hallelujah, I just love her so.

Now if I call her on the telephone
And tell her that I'm all alone
By the time I count from one to four
I hear her (knock) on my door.

In the evening when the sun goes down
When there is nobody else around
She kisses me and she holds me tight
And tells me, daddy everything's all right.
That's why I know, yes I know
Hallelujah, I just love her so.

(Hallelujah, I just love her so.)

Once more (Hallelujah, I just love her so)..
