(Harry Noble)

Hold me, hold me, never let me go
Until you told me, told me, what I want to know
And then just hold me, hold me make me tell you
I'm in love with you.

Thrill me, thrill me, walk me down the lane
Where shadows will be, will be hiding lovers just the
same
As will be, will be when you make me
Tell you I love you.

They told me be sensible with your new love
Don't be fool thinking this is the last to find
Oh, but they never stood in the dark with you love
When you take me in your arms
And drive me slowly out of my mind.

Kiss me, kiss me, when you do
I know you're gonna miss me miss me if we ever part
So kiss me, kiss me, make me tell you
I'm in love with you.

They told me be sensible with your new love
Don't be fool thinking this is the last to find
Oh, but they never stood in the dark with you love
When you take me in your arms
And drive me slowly out of my mind...
