(Charlie Louvin - Ira Louvin)

I take the chance  
To lose my soul, my life, my pride  
I take the chance  
To be with you.

I've tried to live  
My life the best I can  
I've prayed I'd never cheat  
To heed my heart's command.

But dear you know  
To one I've been untrue  
I wonder if you think  
I'd do the same by you.

I take the chance  
Of causing you to doubt my love  
I take the chance  
To be with you.

--- Instrumental ---

I know it's wrong  
For us to steal a kiss  
But when you hold me  
In your arms I can't resist.

I have a home  
And someone kind and true  
I know I'd lose it all  
If I was seen with you.

I take the chance  
To lose my soul my life my pride  
I take the chance  
To be with you...
