(Melvin Endsley)

Oh, please don't be so carelss with your glances  
Don't look at me that way and breathe a sigh  
Oh, please don't get too close and let me love you  
'Cause I'd just be fool enough to try.

It's not that I don't think I'm worthy of you  
But mem'ries from the past I still recall  
Don't let me hold you in my arms and kiss you  
'Cause I'd just be fool enough to fall.

Don't let me tell you how I've dreamed about you  
And longed to have a love that I could share  
Oh, please don't let your eyes be so revealing  
'Cause I'd just be fool enough to care.

It's not that I don't think I'm worthy of you  
But mem'ries from the past I still recall  
Don't let me hold you in my arms and kiss you  
'Cause I'd just be fool enough to fall...
