(Curly Putman - Pittin - Hill)

With a twinkle in her eye
She'll make you feel proud that you're livin'
And with her sunny smile
You'll think for a while you touched heaven.

There's no way to explain it
The feeling that you're gonna feel
If her blue eyes don't get you
Then brother I'll bet you
The sunshine of her smile sure will.

She's not quite a devil
But still she's no angel I'll say
Yet sometimes she's both
But I think that's just to get her way.

When she looks in your eyes
And she smiles Lord, you'll know you've been thrilled
If her blue eyes don't get you
Then brother I'll bet you
The sunshine of her smile sure will.

She will tease you on
She can make you feel so strong
And with her touch
She'll make your heart stand still, yes she will
If her blue eyes don't get you
Then brother I'll bet you
The sunshine of her smile sure will...
