(Chip Taylor)

If you were mine Mary  
Know what I'd do  
I'd take the stars Mary  
And give them to you.

If you were mine Mary  
Know what I'd say  
I'd say that I love Mary  
Over again all through the day.

So if you love me  
Please don't pretend  
For there's a lifetime happiness  
Waiting round the bend.

If you were mine Mary  
Know what I'd do  
I'd take my heart Mary  
And with all my love I'd give it to you.

I'd take my heart Mary  
And with all my love I'd give it to you...
