(Larry Gatlin)

I'll be there to hold you when you need someone to
hold you
I'll be there to listen when you need someone to care
I'll be there to help you anyway that I can help you
I may be in the shadows but remember, I'll be there.

I know that you don't love me the way you used to love
me
You chosen out to leave me and it really don't seem
fair
So many times you've hurt me, hmm, how you have
hurt me
But my pain just doesn't matter 'cause if you'll need
me, I'll be there.

I'll be there, any situation, anytime, anywhere

I'll be there when you need a helping hand
Someone who will understand
Just rest assure, I'll be there.

When you need a helping hand
Someone who will understand
Just rest assure, I'll be there...
