"In the Pines"

In the pines, in the pines,
Where the sun never shines,
And you shiver when the cold winds blow.

Little girl, little girl,
What have I done to make you feel this way?
You caused me to weep, you caused me to moan,
You caused me to leave my home.

In the pines, in the pines,
Where the sun never shines,
And you shiver when the cold winds blow.

The longest train I ever saw, was on this railroad line.
The engine passed at 8 o'clock., the caboose went by
at 9.

Oh me, oh my
What makes me weep so

In the pines, in the pines...
