(Jim Owen)

(I've got a woman to lean on)

I've seen times there was no way  
The sun could ever shine  
And I've seen me so completely down  
And I count up every time.

But I've got me something special  
That keeps me going strong  
When life gets rough, hmm, hmm  
I've got a woman to lean on.

I've got a woman to lean on  
When I need her she stands by  
She's a lovin' flowin', fountain  
The stream that never will run dry.

She's a lady and she's a mother  
I think, of which some kinda lover  
Hmm, hmm  
I've got a woman to lean on.

--- Instrumental ---

I can't buy her the things I'd like  
But I don't hear her complain  
If I needed water to save my life  
I think she could make it rain.

And it's just a fact of livin'  
That sometimes things go wrong  
But I don't worry, hmm, hmm  
I've got a woman to lean on.

I've got a woman to lean on  
When I need her she stands by  
She's a lovin' flowin', fountain  
The stream that never will run dry.

She's a lady and she's a mother  
I think, of which some kinda lover  
Hmm, hmm  
I've got a woman to lean on.

Hmm, I've got a woman to lean on...
