(Cy Coben)

There's a lonely little robin in a tree by my door
And it waits for it's mate to return evermore
So remember, please remember, that I'm lonely too
Like the lonely little robin I'm waiting for you.

When you went away dear you promised that you'd
write
And I thought that you would be true
But I find the mailbox as empty day and night
As empty as the arms that held you.

There's a lonely little robin in a tree by my door
And it waits for it's mate to return evermore
So remember, please remember, that I'm lonely too
Like the lonely little robin I'm waiting for you.

--- Instrumental ---

I walk down the lane down the lane we used to walk
Where we strolled together for years
And my cheeks are red, as it's hard for me to tell
If raindrops are falling my dear.

There's a lonely little robin in a tree by my door
And it waits for it's mate to return evermore
So remember, please remember, that I'm lonely too
Like the lonely little robin I'm waiting for you.

Like the lonely little robin I'm waiting for you...
