(Jim Ed Brown - Maxine Brown)

I was looking back to see  
If you were looking back to see  
If I was looking back to see  
If you were looking back at me.

You were cute as you could be  
Standing looking back at me  
And it was plain to see  
That I'd enjoy your company.

One Sunday afternoon  
As I was ridin' down the street  
I met a cute little girl  
All dressed up so sweet.

And the way that she was stacked  
I wish I'd've had a Cadillac  
For who would notice me  
Just drivin' this model T.

I was looking back to see  
If you were looking back to see  
If I was looking back to see  
If you were looking back at me.

You were cute as you could be  
Standing looking back at me  
And it was plain to see  
That I'd enjoy your company.

--- Instrumental ---

Now listen baby  
It doesn't matter to me  
Even in your model T  
You're as cute as you can be.

If you'll come sit by my side  
I will take for a ride

And I will guarantee  
we'll have fun oh man alive

I was looking back to see  
If you were looking back to see  
If I was looking back to see  
If you were looking back at me.

You were cute as you could be  
Standing looking back at me  
And it was plain to see  
That I'd enjoy your company.

(Oh me, oh gee)  
Perhaps you'd notice me  
If I wadn't drivin' this model T.

So I was looking back to see  
If you were looking back to see  
If I was looking back to see  
If you were looking back at me.

You were cute as you could be  
Standing looking back at me  
And it was plain to see  
That I'd enjoy your company...
