Jim Ed Brown & Helen Cornelius

I called work this morning and told them I was ill
But if they knew how good I really feel
They'd know I'm lying, they'd probably fire me.

You said you can't get out of bed I guess that that's
the truth
But the reason you can't is cause I lying here with you
Yeah, I lying in love with you .

Lying in love with you,
Today that all I want to do
Won't hurt to tell a white lie or two
When I'm lying in love with you.

Lying in love with you
Today that all I want to do
Won't hurt to tell a white lie or two
When I'm lying in love with you.

At work they're thinking you're down with a bug
But all you caught is a case of my love
And you lying, lying in love with you.

I'd rather be do what I doing with you
Cause it's an occupation that takes just two
When I'm lying in love with you.

Lying in love with you today
That all I want to do
It won't hurt to tell a white lie or two
When I'm lying in love with you.

Lying in love with you today
That all I want to do
It won't hurt to tell a white lie or two
When I'm lying in love with you.

It won't hurt to tell a white lie or two
When I'm lying in love with you.

Lying in love, lying in love.
Lying in love, lying in love...
