(Walter Donaldson - Mort Green)

(Out where the sunset is silver and gold)

(Out where the night is a sight)

(To behold, we met)

Will we ever forget?

(Nevada)

We live to dream by a blue mountain stream in Nevada

(Nevada)

And millions of stars were exclusively ours that night

Your heart was part of my heart in the heart of Nevada

(Nevada)

Two lips devine were so willingly mine that night.

There on a hilltop with nothing but heaven around us

We lost ourselves in a heavenly moonbeam till sunrise

found us

We fell in love, oh, so madly in love in Nevada

(Nevada)

We live to dream by a blue mountain stream that night.

(There on a hilltop with nothing but heaven around us)

We lost ourselves in a heavenly moonbeam till sunrise

found us

We fell in love, oh, so madly in love in Nevada

(Nevada)

We live to dream by a blue mountain stream that night.

(Nevada, Nevada...)
