(Maewa Kaihan - Clement Scott - Dorothy Stewart)

Now is the hour that we must say goodbye
Soon you'll be sailing far across the sea
While you're away oh please remember me
When you return you'll find me waiting here.

Sunset glow facing the west night
Where the valley is creeping
The birds settle down in their nest
And the whole world is sleeping.

Now is the hour that we must say goodbye
Soon you'll be sailing far across the sea
While you're away oh please remember me
When you return you'll find me waiting here...
