(Howard Greenfield - Neil Sedaka)

With a cloud above her head
Here comes Rainy Jane
If she stubs you man
She'll bore you with her sad refrain.

It's the same old story
We've heard a thousand times before
She'll tell you how he broke her heart
And then the tears will start to fall.

Hey, Rainy Jane
You gotta stop your cryin' sometimes
Come on Rainy Jane it's up to you
To make your own sweet sunshine.

Jane you're just a shadow
Of the girl you used to be
Once you used to live for life
Now you live for sympathy.

It's true your heart's been broken
And you got the right to cry
But if you gonna keep it up
The sunshine's gonna pass you by.

Hey, Rainy Jane
You gotta stop your cryin' sometimes
Come on Rainy Jane it's up to you
To make your own sweet sunshine.

You can't change the weather
No one loves a rainy day
Come let's get together, clouds will clear up
When you cheer up.

Take each raindrop
Make the rain stop

Hey Rainy Jane

You gotta stop your cryin' sometimes
Come on Rainy Jane it's up to you
To make your own sweet sunshine.

Hey Rainy Jane you gotta stop
You gotta stop your cryin' sometimes
Come on Rainy Jane it's up to you
To make your own sweet sunshine...
